

“Let’s Move! Active Kansas Schools” Agreement

The Kansas Health Foundation (KHF), Healthy Kansas Schools (HKS), and KAHPERD have joined forces to develop and disseminate *Let’s Move! Active Kansas Schools*, an initiative that invites Kansas physical education teachers to be trained and certified as Physical Activity Leaders (PAL). You are invited to join a select group of teachers across the state to become a Certified PAL and implement the components of *Let’s Move! Active Kansas Schools* during the 2017-18 school year. This agreement outlines the responsibilities to be assumed by LMAKS project staff, HKS staff, and the trainee/school to ensure successful implementation of LMAKS.

LMAKS project staff will provide:

- a one-day Physical Activity Leader training conducted by certified trainers
- resources, tools, and support to help PALs successfully implement LMAKS
- incentives to enable the PAL to attend the training and implement LMAKS at the building level

_____ (Trainee Name) from _____ (School) of
the _____ school district (name and district #), agrees to:

- Enlist support from at least one School Administrator
- Belong to KAHPERD (membership fee reimbursed through LMAKS)
- Attend a one-day training to be held in July, 2017 (travel reimbursed through LMAKS)
- Implement and maintain for at least one year a minimum of one component of a Comprehensive School Physical Activity Program
- Attend the fall KAHPERD convention, if possible (registration reimbursed through LMAKS)

The signatures below indicate that we accept the responsibilities outlined above and will make every effort to successfully implement a minimum of one component of a Comprehensive School Physical Activity Program during the 2017-18 school year. **Please indicate an email address that you will have access to during the summer months.**
