

“Active Schools: Let's Move Kansas!” Agreement

The Kansas Health Foundation (KHF), Healthy Kansas Schools (HKS), and KAHPERD have joined forces to develop and disseminate *Active School: Let's Move Kansas!*, an initiative that invites Kansas physical education teachers to be trained and certified as Physical Activity Leaders (PAL). You are invited to join a select group of teachers across the state to become a Certified PAL and implement the components of *Active Schools: Let's Move Kansas!* during the 2018-19 school year. This agreement outlines the responsibilities to be assumed by ASLMK project staff, HKS staff, and the trainee/school to ensure successful implementation of ASLMK.

ASLMK project staff will provide:

- a one-day Physical Activity Leader training conducted by certified trainers
- resources, tools, and support to help PALs successfully implement ASLMK
- incentives to enable the PAL to attend the training and implement ASLMK at the building level

_____ (Trainee Name) from _____ (School) of
the _____ school district (name and district #), agrees to:

- Enlist support from at least one School Administrator
- Belong to KAHPERD (membership fee reimbursed through ASLMK)
- Attend a one-day training to be held in July/Aug, 2018 (travel reimbursed through ASLMK)
- Implement and maintain for at least one year a minimum of one component of a Comprehensive School Physical Activity Program
- Attend the fall KAHPERD convention, if possible (registration reimbursed through ASLMK)

The signatures below indicate that we accept the responsibilities outlined above and will make every effort to successfully implement a minimum of one component of a Comprehensive School Physical Activity Program during the 2018-19 school year. **Please indicate an email address that you will have access to during the summer months.**
